Dear Steve:

On behalf of the Neilson Grove Elementary School's Parent Advisory Committee (PAC), we want to express our appreciation for your support of our recent Spring Fair. We are very thankful to have had a company like Angels Events on hand to set up and oversee the Carnival portion of our Spring Fair – you and your mighty team of one really did a fantastic job.

The dollars raised through our Spring Fair, offset the cost of many extra curricular activities the students at Neilson Grove participate in. Activities range from school cultural performances, field trips, new and upgraded computers, learning programs, sports equipment and library books. As well this year, our PAC has made the purchase of a SMARTBoard a priority. A SMARTBoard is an interactive learning technology with a touch sensitive screen enabling teachers and students to control computer applications, write in digital ink and access hundreds of learning programs, all on a 77" whiteboard/screen.

Your support was gratefully acknowledged at our Spring Fair and will also be recognized in our upcoming School and PAC newsletters.

Again, thank you for being a part of helping our students grow and succeed.

Sincerely,

Heather Beaumont
