Subject: Thank You!

Steve,
On behalf of myself and Clarington I wanted to thank you for all of your hard work on Saturday.
We were all very happy with how the event went, with comments that it was better than our event last year.
That is definitely due to the hard work and professionalism you and your staff displayed.
Everyone was very impressed with the gift bags that you put together for our staff. It was a nice touch!
Thank you again, and I look forward to doing business with you again in the future!
