Dear Steve:

Just a short note to tell you how much we appreciated to have had you as a large part of this year's Langley Canada Day Celebrations.

The 'Jumbo Inflatable Tiger Belly Bouncer' was a great suggestion on your part and was very well received by children and their parents visiting our celebration.

I personally would like to comment on your very friendly and professional handling of our business dealings, the excellent quality of the bouncer and the highest safety standards.

The event was a great success and we are looking forward to have you supplying bouncers again at our 2007 Canada Day celebrations.

I have no hesitation to highly recommend you and your services to any client or organization in need of bouncers or any of your other attractions.

I wish you all the best and look forward to meeting up with you again in the not to distance future.

Best regards,

Uwe Boecker
