To Whom It May Concern,

**Re: *Angels Events***

It has been my privilege to work with Mr. Stephen Braybrooke of *Angels Events* on one occasion and to observe his business "in action" on another.

Without question this is a man and a business of integrity. The quality of assistance in planning, attention to detail, helpfulness in execution, promptness in setup and hard, diligent work during both the event and the cleanup is second to none. Both Mr. Braybrooke and his staff were professional and hardworking.

It will clearly be my privilege to work with them again soon and I highly recommend them to anyone looking for event facilities of this type.

Sincerely yours,

Mrs. Vicki Bowker
