To Whom It May Concern,

I am writing today in support of Mr. Stephen Braybrooke, and his businesses *Angels Bouncy Castles* and *Par-Tees Mobile Mini Golf*.

On several occasions over the past years I have met with Mr. Braybrooke at various civic events. I have always found him to be a man of integrity and honour who possesses ethics of a high moral standard. He feels strongly about becoming an involved citizen of our great City and contributes enthusiastically and with great pride at every given opportunity. The manner in which he conducts himself and his companies is with utmost professionalism and attention to detail.

I would not hesitate to recommend Mr. Braybrooke or his companies in any endeavour he applies himself to, as he is always willing and able to go the extra mile to ensure everything runs smoothly and efficiently.

Sincerely,
